2005 Fountain 38TE

Boat Type: Sport Fishing

Address: North Shore, MA, US

Price: \$109,000

OVERVIEW

" Too Wild " is fun and a blast to drive! Whether you're a world-class angler or a weekend fisherman, this 38-foot Fountain Center Console with its 10'6" beam is the perfect fishing vessel, blending performance, ride comfort, dependability and efficiency. It even includes a 50 gallon, pressurized, circulating live well to keep bait fresh while running hard and four large fish boxes totaling 176.5 gallons worth of insulated storage space in which to ice down your catch. Beneath the center console is a stand-up head with shower, sink and vacu-flush toilet. The forward decking features a high bow rail and a built-in anchor locker; at the transom there is a door to the motor well and a bench seat large enough for two people. Yet performance at high speeds is really what attracts buyers to this boat. With its state-of-the-art Super ventilated Positive Lift hull, it can hit 42 mph in 10 seconds and 63 mph in 20 seconds. The 38 Fountain TE utilizes the same construction and winning technology found in Fountain's race boats - the fastest V-bottom offshore boats in the world.

Hull is in Mint Condition !! 5 Coats of Allcraft on entire hull !

Engine's meticulously maintained by Factory Authorized Mercury Tech's

2012 Magic Tilt Trailer

2 New Outriggers

Garmin Electronic's

A MUST SEE !!
