2005 Sea Ray 260 Sundancer

Boat Type:

Address: North Shore, MA, US

Price: \$34,995

OVERVIEW

"Bouttime" is a second-generation 260 Sea Ray benefits from freshened styling, a revised cockpit layout, and minor cosmetic and hardware upgrades in the cabin. There's much to admire about the 260 in her sturdy construction and best-in-class finish. In the cockpit, wraparound rear seating leaves room for passengers to easily move about, and the wet bar features a sink, storage, and removable cooler. An electric engine compartment hatch provides good engine access. Below decks, the 260 Sundancer boasts big boat amenities and style, with a parchment-colored headliner and high-gloss wood laminate cabinets. Note the Vacu-Flush toilet in the head. The mid berth is big enough for two. The deep transom storage compartment with gas-assisted lid is a nice touch.
